DETAILED ACTION

Election/Restrictions

1. Applicants' election without traverse of Group I, claims 1-6, in the reply filed on February 20, 2007 is acknowledged.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on November 9, 2005 was filed before the first action on the merits. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Reason for Allowance

3. Claims 1-6 are allowed.

The following is an examiner's statement of reasons for allowance: claim 1 recites a method for bonding two plate-shaped objects with an adhesive which is cured by ultraviolet light irradiation and by heating, whereby a movable heat-shielding member is temporary present between the objects and the heating element during at least the first part of the irradiation treatment. These features in combination with the other elements of the claim are neither disclosed nor suggested by the prior art of record.

Claims 2-6 depend from claim 1, so they are allowed for the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
